One Day Course in End of Life Care

Tuesday 8 September
The Hyndman Centre, Bury St Edmunds, IP33 3JT

This course is suitable for health care professionals who are caring for individuals in their last year of life. It will promote a holistic approach to support the needs of patients and families facing death and will include:

- Difficult conversations at end of life
- Grief and Bereavement
- Symptom management and care after death
- Advance Care Planning
- Breathlessness and Relaxation

Fee: £35, lunch, tea and coffee included

For more information or to reserve a place on any of the courses, please contact Alison Peacock, Education Administrator, on education@stnh.org.uk or Tel: 01284 766133
